

Hard Candy Cases Hit the MacBook

Hard Candy's snap-on case covers have focused on netbooks...but now the company has branched out to Apple's 13-inch MacBook and MacBook Pro.

Hard Candy Cases is a newcomer to the computer peripheral and accessory market, and has focused on providing snap-on protective cases for Acer and Asus netbooks. Now the company is venturing into the Apple orchard, announcing new snap-on Bubble Shell cases for Apple's new 13-inch polycarbonate unibody MacBook and for Apple's 13-inch MacBook Pro.
